

Gateway/Beltline intersection refinement project

Stakeholder Work Group (SWG)

Next meeting:

5:30-7:30 p.m. Tuesday, October 16
PeaceHealth Riverbend Annex, Shasta Room
123 International Way, Springfield

Meeting agenda will include:

- Discussion of evaluation of potential implementation and phasing alternatives.
- Identification of next steps with individual property owners and the Stakeholder Work Group.

The City of Springfield is refining plans for transportation improvements in the Gateway area. Specifically, these improvements could affect:

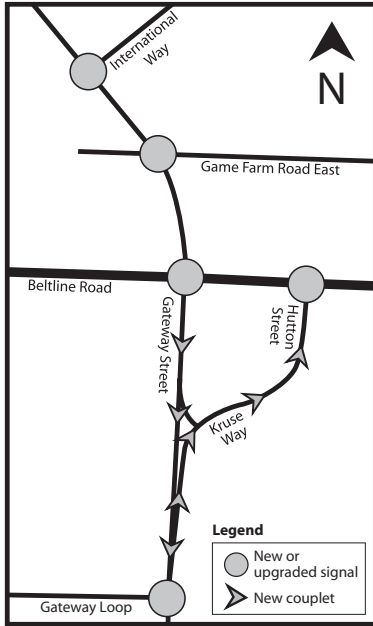

- Properties along Gateway Street from Gateway Loop to International Way.
- Properties along Hutton Street and Kruse Way.
- Properties along Beltline Road from Gateway Street to Game Farm Road.

This is the **third** meeting of the Stakeholder Work Group (SWG). SWG meetings are focused on discussions of the overall project. This meeting is your opportunity to review and provide input on evaluation of possible phasing and implementation strategies for improvements to the transportation system in the Gateway area.
